## 1. Aims

This policy aims to ensure that:

- Arden Multi-Academy Trust's funds are used only in accordance with the law, its articles of association, its funding agreement and the Academies Financial Handbook.
- The trust's funds are used in a way that commands broad public support.
- Value for money (economy, efficiency and effectiveness) is achieved.
- Trustees fulfil their duties and responsibilities as charitable trustees and company directors.

# 2. Legislation and guidance

The <u>Academies Financial Handbook</u> states that academy trusts are required to have a procurement/competitive tendering policy, and ensure that European Union (EU) procurement thresholds are observed.

This policy is based on the Academies Financial Handbook and <u>Department for Education (DfE) guidance on</u> procurement.

This policy also complies with our funding agreement and Articles of Association.

# 3. Roles and responsibilities

## 3.1 Academy trustees

Academy trustees will ensure that:

- Spending decisions represent value for money;
- The Trust's funds are used in a way that commands broad public support;
- Relevant professional advice (such as an external auditor) is used, where appropriate;
- Goods or services provided by individuals or organisations connected to the trust are provided at no more than cost;
- Nobody connected to the Trust, directly or indirectly, uses their connection to the Trust for personal gain;
- Where any trustee has a pecuniary interest in a procurement decision, they exclude themselves from the process and records (e.g. meeting minutes) show that they had no influence on the decision.

## 3.2 Business & Personnel Committee

Academy trustees delegate competitive tendering responsibilities to the Business & Personnel Committee.

The committee is responsible for reviewing the trust's tendering processes, and for reporting to trustees on tenders.

## 3.3 Director Finance (Chief financial Officer)

The Chief Financial Officer (CFO) is responsible for:

- Ensuring appropriate financial governance arrangements are in place;
- Preparing and monitoring budgets;
- Providing information to the finance committee and academy trustees, as appropriate; Procurement & Competitive Tendering Policy/V.1 – 12.12.2023/Trust Board

• Overseeing and supporting competitive tendering.

## 4. Purchase thresholds

4.1. These are described in detail within the AMAT Financial Scheme of Delegation policy – see Appendix 1 attached.

## 4.2 EU procurement threshold

If it is estimated that the cost of a contract is above the EU threshold for procurement spending, the Trust will follow EU procurement directives and seek legal advice. The current EU threshold for all goods and most services is £181,302.

A 'light touch regime', with a higher threshold of £615,278, applies for some services that are specifically for education provision. We will seek legal advice to determine if any procurement run by the Trust qualifies.

#### 5. Framework agreements

Where possible, we will use a framework agreement to contract suppliers. These are arrangements that a contracting authority, such as a public sector buying organisation, makes with suppliers. The benefits of frameworks are that they have already been through a competitive tender process and they have favourable terms and conditions. In addition, the framework provider may offer advice and support.

Depending on the framework we choose, we will either pick the best value supplier from a list or run a mini-competition between listed suppliers. In either case, we will follow the DfE guidance on procurement (see section 2 of this policy) to ensure good practice. The reasons for the choice of framework, and for the choice of supplier, will be clearly recorded.

The CEO has been delegated the authority to choose whether to use a framework agreement and which framework to use.

#### 6. Tendering procedure: low and medium-value purchases

When making low (over £20K) or medium-value purchases (over £50k and under £100K) without a framework agreement, the Trust will use the process outlined below.

- **a.** Create a specification a specification document will set out what suppliers need to understand what we are looking to buy, including the quality, quantity and delivery date
- **b.** Compare suppliers a comparison of different suppliers, including their reputation, will help the Trust develop a shortlist of at least 3 suppliers we want to approach for a written quote
- c. Assess quotes an award criteria will be developed to assess suppliers' quotes. Criteria may include:
  - How well the supplier meets our specification
  - The whole-life cost of the contract, which may include:
    - The sale price of the goods, works or services
    - VAT
    - Delivery charges
    - Maintenance costs
    - Running costs
    - The cost of removing and disposing of an item or service once we no longer need it
  - Whether there will be price increases or decreases over the life of the contract
  - Value for money

Each aspect of the criteria will be scored on a scale of 1 to 5, with 5 being the highest score. A record of how the quotes are evaluated will be kept.

The Head of Department will evaluate quotes with support from the CFO.

When we contact suppliers, we will send them:

- The specification
- Deadlines for quotes and when decisions will be made
- Instructions for how to ask clarification questions about the specification
- **d.** Place an order when the best value quote is identified, we will send the supplier a purchase order, which includes details of the:
  - Goods, works or services we are purchasing
  - Price
  - Delivery address
  - Delivery deadline and any other important dates
  - Payment schedule

#### 7. Tendering procedure: high-value purchases

The Trust will make high-value purchases (over £100k) without a framework only in rare circumstances and only with legal support. When this does happen, we will use the process below.

- a. Create a specification (see section 6)
- **b.** Assess the market we will prepare for the tendering process by developing our knowledge of the market. We will find out how many suppliers are available and the best way to advertise our contract to a range of suppliers
- c. Check the school's position in relation to EU procurement thresholds (see section 4)
- d. Develop a service level agreement (SLA) an SLA sets out the standards of service expected from a supplier. Some suppliers may have their own SLAs, which the trust will consider using on a case-by-case basis
- e. Develop a contract a contract will include terms and conditions, a contract management plan and an exit strategy
- f. Reduce the number of bids to reduce the number of bids the Trust needs to evaluate, we will either use an expression of interest process to gauge interest in the contract or a pre-qualification questionnaire
- **g.** Establish how we will assess quotes we will set out criteria that will allow us to evaluate which of the suppliers' bids best meets the requirements in our specification, and is the most economically advantageous tender that best combines cost and quality
- **h.** Create a timeline for the tender process this will include the dates of the clarification period, the deadline for submitting tenders and the date we expect to award the contract
- i. Prepare an invitation to tender this will include:
  - A covering letter with a timeline for the process
  - Instructions on how suppliers can ask clarification questions and submit their tender
  - The specification
  - A pricing schedule
  - Any SLA requirements
  - The contract's terms and conditions
    - Procurement & Competitive Tendering Policy/V.1 12.12.2023/Trust Board

- Contract management requirements (see 'develop a contract' above)
- Award criteria, including the scoring system and any weightings
- If appropriate, an invitation for suppliers to give a practical demonstration of their goods, works or services
- j. Advertise the contract the contract will be advertised where suppliers are likely to look, such as:
  - The Official Journal of the European Union (OJEU) this is a requirement if the contract is over the EU procurement threshold
  - The government's Contracts Finder service
  - Local or national newspapers
  - Education publications or websites
  - Trade magazines
- k. Run the tender process and provide clarifications
- I. Evaluate tender responses at least 2 people will independently score and evaluate each bid, and then compare notes after completing their evaluations; records of decision making and moderation decisions will be kept
- **m.** Run financial checks on preferred supplier, to include credit reference agency checks and Companies House checks, take up references if required
- n. Notify suppliers and award the contract
- **o.** Finalise the contract (and advertise the award, if the contract was advertised in Contracts Finder or the OJEU)
- **p.** Abandoning the tender process on very rare occasions we may need to halt the tender process. Should this occur, we will notify suppliers who are preparing their bids as soon as possible

#### 8. Procedure in the event of a bespoke/sole supplier

In the event that there are is only one supplier that can supply a specific service required by the Trust the following process will apply:

- a. Assess the market for suppliers providing a similar service or product
- b. Obtain quotes from similar suppliers as a benchmark for the costs of the of the sole supplier
- c. Produce a justification to explain why this particular supplier is required
- d. Obtain approval in line with the Financial Scheme of Delegation amended as follows :

Contract value	Delegated Authority
£2,001 to £5,000	Chief Financial Officer
£5,000 to £20,000	As above plus Executive Headteacher and Chief
	Executive Officer
£20,001 to £50,000	As above plus Chair of AMAT or Chair of B&P
Over £50,001	AMAT Board

These lower delegation levels are set to ensure that there is sufficient additional scrutiny of the costs and reasons for using the sole supplier.

#### 9. Monitoring arrangements

The CFO and Business & Personnel Committee are responsible for the implementation of this policy.

This policy will be reviewed and approved by the board of trustees every two years and when EU procurement thresholds change.
